- About Salem Glen:** Salem Glen is a family-owned and operated winery specializing in crafting small batches of wine made from regionally grown grapes. Our winery was established in 2006 on an old dairy farm in the Zumbro River valley, southwest of Rochester, Minnesota. The sunny, fertile, rolling hills surrounding the farm are well suited for growing grapes that make great wine.
- Wines:** Salem Glen works exclusively with cold hardy grape varieties that survive Minnesota's cool winters. Fruit used for our wines is harvested from a 5 acre estate vineyard. We also source many of grapes from other regional growers. Our wines range in price from \$11 to \$18.
- Tours and Tastings:** Salem Glen hosts tastings Thursday through Sunday. The tasting is \$6 per person. Private tasting events can be arranged by reservation.
